

ARB NOTICE

No. 27

Issue 5.

10th August, 1967.

CONCORD — INSPECTION ARRANGEMENTS

- 1 The prototype and pre-production Concord aircraft are being produced jointly for the British and French Governments. In consequence, special inspection arrangements have been developed to satisfy the A.R.B., the Director General of Inspection, and the appropriate official French inspection authorities.
- 2 By agreement with the French authorities, a joint code of requirements, known as T.S.S. Standards (see A.R.B. Notice No. 25) is being formulated. T.S.S. Standard No. 42—Inspection—has been issued and may be amended from time to time.
- 3 T.S.S. Standard No. 42 defines the Inspection Requirements in broad terms. Where it is necessary to amplify individual requirements, these are promulgated in “Concord Inspection Requirements”.

The state of issue is as follows :—

T.S.S. Standard No. 42, Issue 1, 1st July, 1965.

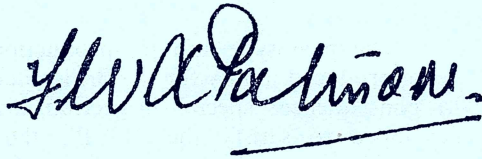

Concord Inspection Requirement No. 1, Issue 4, 10th August, 1967.

Concord Inspection Requirement No. 2, Issue 2, 8th July, 1966.
- 4 Chief Inspectors of firms holding inspection approval under A.R.B. authority, and who are undertaking or expect to undertake sub-contract work on the Concord, should apply to the Secretary, Air Registration Board, Technical Publications Department, Greville House, 37 Gratton Road, Cheltenham, Glos., giving brief details of their commitments on the project and requesting an issue of T.S.S. Standard No. 42 and the Concord Inspection Requirements.

5 The A.R.B. does not propose at present to maintain a mailing list for the supply of individual copies of these documents, and firms affected should, therefore, apply for new issues which will be notified by the re-issue of this A.R.B. Notice.

6 **Cancellation** This Notice cancels A.R.B. Notice No. 27, Issue 4, dated 1st June, 1967, which should be destroyed.

By Order of the Air Registration Board,

A handwritten signature in dark ink, appearing to read "J. W. A. Palmer", is written over a horizontal line.

Secretary.

Brabazon House,
Redhill,
Surrey.
